Welcome to **The Webinator**

A NEW Way Of Doing Business

Everything is provided.

We'll provide the room, the software tools and enough setting to hold up to 3000 attendees.

We'll Bring The Audience

The most difficult part of sales is finding prospects to present your product or service to.

Hunting is not only expensive, but it's time consuming. Unfortunately, to generate NEW leads, you **MUST** advertise and promote.

Advertising & Marketing

“The Webinator” does the hunting, locates **ONLY INTERESTED** prospects and puts them all in one place for you at the time you specify.

Best of all, you only pay for results **PLUS** a small one-time setup fee.

Do want 10, 100, 1000 attendees? You choose the size.

We will promote your event through our network of affiliates. You just determine how many people you would like to present to.

Pick Your Target Region

You pick the audience and the amount of time you need.

U.S., Canada, Mexico, Europe, Asia, Australia, South America, Africa or the Middle East.

New Prospects!

When your webinar has been completed, we'll give you a copy of the leads from everyone who registers and attended, making it the **EASIEST** way to grow your list from people who are truly interested in your product or service.

No Commission Fees.

If you want to sell a product or service in your webinar, NO PROBLEM. The best part is that you **keep 100%** of **ALL** the money.

Pay for Performance.

SALES

What makes us different than just doing your own webinar is one simple thing...

WE find the people interested in YOUR product or service.

You only pay for results (those who register and attend) plus a small setup fee.

Guaranteed Results

If you don't get at least 20 people that has registered for your event and at least 10 who actually attend, we'll run your event for free.

Totally Affordable

\$95* – 30 minutes
\$195* – 60 minutes
\$295* – 90 minutes

PLUS

\$1 for everyone who registers and
\$2 for everyone who attends
